Section 3: Recipients of the personal data

We share data with and transfer data to other data controllers. In this section we give you further information about the types of recipients or categories of recipients of your personal data. Please note that this list is not exhaustive, and we will transfer personal data to other third parties where required or permitted by law. Furthermore, please note that LWETB reserves the right to contact appropriate third parties in the event of an emergency.

3.1 Parents / guardians: LWETB share information on educational progress and child welfare with a student's parent/guardian where the student is under 18 years.

- (a) **Educational progress:** Section 9(g) Education Act 1998 provides that: *"A recognised school shall provide education to students which is appropriate to their abilities and needs and, without prejudice to the generality of the foregoing, it shall use its available resources to — [...] (g) ensure that parents of a student, or in the case of a student who has reached the age of 18 years, the student, have access in the prescribed manner to records kept by that school relating to the progress of that student in his or her education"*. Section 22(2) states that the Principal and teachers shall *"(b) regularly evaluate students and periodically report the results of the evaluation to the students and their parents"*.
- (b) **Freedom of Information Act 2014:** where requested LWETB may release personal data relating to a student to his/her parent or guardian if that parent/guardian's access to the child's records would, *"having regard to all the circumstances be in the [child's] best interests¹⁸"*. For further information, see Regulation 5 of S.I. 218/2016 "Freedom of Information Act 2014 (section 37(8)) Regulations 2016.
- (c) **Data access request:** where requested LWETB will consider an access request made by a parent/guardian on behalf of their child pursuant to Article 15 GDPR. In considering such a request, LWETB shall have regard to the fact that the right to access to one's personal data is the right of the data subject themselves, and in this regard the guidance of the UK's Information Commissioner's Office: *"Even if a child is too young to understand the implications of subject access rights, data about them is still their personal data and does not belong to anyone else, such as a parent or guardian¹⁹"*. LWETB shall also have regard to the guidance of the Irish Office of the Data Protection Commissioner²⁰: *"Legal guardians can make an access request on behalf of a child. However, once a child is capable of understanding their rights to privacy and data protection, the child should normally decide for themselves whether to request access to data and make the request in their own name. Where an organisation receives an access request from a legal guardian on behalf of a child who has had direct interaction with that organisation, and/or where that child is capable of understanding their own rights to privacy and data protection, the organisation must take account of the child's rights in deciding how to respond to the access request"*. LWETB shall have regard to the UN Convention on the Rights of the Child²¹, and in particular, balance the following interests:
 - Article 16(1) of which provides that *"no child shall be subjected to arbitrary or unlawful interference with his or her privacy, family, home or correspondence, nor to unlawful attacks on his or her honour"*.
 - Article 5 *"rights and duties of parents ... to provide, in a manner consistent with the evolving capacities of the child, appropriate direction and guidance in the exercise by the child of the rights recognised in the present Convention"*.

In considering such parental requests, LWETB shall have regard to the best interests of the child, the age of the child, their evolving capacity and level of maturity. Where the child's age and maturity has reached a point where he/she would have a reasonable expectation of having an input into what happens to their personal data and would reasonably expect to be consulted about to whom their data are released, LWETB shall consult with the child in an age-appropriate way (if it is appropriate in the circumstances)

and to take the child's views into consideration. This is to ensure that the voice of the child is heard in matters relating to his/her personal affairs where it is age-appropriate to do so. LWETB will consider the following factors²² when determining a request for records made by a parent/guardian on behalf of their child:

- i. Where possible, the child's level of maturity and their ability to make decisions like this.
- ii. The nature of the personal data.
- iii. Any court orders relating to parental access or responsibility that may apply.
- iv. Any duty of confidence owed to the child or young person.
- v. Any consequences of allowing those with parental responsibility access to the child's or young person's information. This is particularly important if there have been allegations of abuse or ill treatment.
- vi. Any detriment to the child or young person if individuals with parental responsibility cannot access this information.
- vii. Any views the child or young person has on whether their parents should have access to information about them.
- viii. Any child who is capable of forming his or her own views on whether their parent(s) should have access to information about them shall have their views ascertained and the data controller shall give due weight to those views having regard to all the circumstances including the age and maturity of the child and any other relevant considerations such as the child's safety, health, welfare, and wellbeing.

(d) **Emergency Contact:** Where the parent/guardian has been nominated as the student's Emergency Contact, as per section 3.4 below.

3.2 **Other Schools and Universities/Colleges/Institutes:** where the student leaves the school or centre and transfers to another educational setting or goes on an exchange programme or similar. We may be asked to supply certain information about the student, such as academic record, references, etc., which we can only do if we have prior consent.

3.3 **Student support team/Pastoral Care team meetings:** Schools and centres within LWETB routinely hold student support meetings which are designed to identify students in need of additional supports and to put plans in place as to how best to meet the student's needs. This is generally for the following purposes:

- (a) supporting the student in motivation and learning, and encouraging school completion;
- (b) supporting the student where there are substance abuse or addiction issues at home;
- (c) supporting the student through a difficult period, e.g. grief, loss, bullying, abuse at home;
- (d) supporting the student exhibiting self-harm and/or engaging in suicidal thoughts;
- (e) addressing challenging behaviour;
- (f) resolving behavioural, motivational, emotional and cognitive difficulties;
- (g) engaging with therapeutic and psychological services to obtain supports to students, through assessment and therapeutic intervention (including to obtain access to the Child and Adolescent Mental Health Service (CAMHS));
- (h) engaging in preventative work (drugs, alcohol, criminal behaviour, anti-social behaviour, etc).

These meetings are generally held in the School/Centre building and are attended by any of the following types of personnel within LWETB: Principal of School/Head of Centre, Deputy Principal, Guidance Counsellor, Pastoral Care Team personnel, and the Year-Head (where appropriate). LWETB recognises that a co-ordinated inter-agency approach will be required in addressing these complex issues: accordingly, the school/centre may invite the following types of third parties to participate in such meetings:

- the student's parent/guardian (where the student is under 18 years)
- TUSLA (social worker, child protection team, and School Completion Programme team)

²² Factors (i) – (vii) being taken from the UK Information Commissioner's Office: "Subject Access Code of Practice – Dealing with requests from individuals for personal information available at <https://ico.org.uk/media/1065/subject-access-code-of-practice.pdf>

- An Garda Síochána (including Garda Juvenile Liaison Officer, and other juvenile/youth diversion programme personnel)
- Neighbourhood youth initiative projects, and/or youth project workers and other voluntary groups working in the sector
- Regional Drugs Task Force
- HSE
- Foróige
- Local Drug Prevention and Education Project workers (e.g. Extern MYDAS)

These Student Support meetings/Pastoral Care Team meetings are designed to support the student's best interests. The outcome of these meetings may result in the student being referred on for specific assessments and/or therapeutic treatments (e.g. CAMHS, NEPs etc).

Where the student is under 18 years, their parent/guardian will be informed that these meetings are taking place and shall be furnished with appropriate information and/or leaflets (where appropriate and where available) to explain the capacity in which third parties attend these meetings.

While each of the third parties engaging in these Student Support Meetings may hold their own files and/or personal data relating to the student (which would be governed by the data protection policy of the organisation which they represent), the LWETB will be the data controller in respect of the official minutes produced at the conclusion of any such meetings.

3.4 **Emergency Contact:** Emergency contact information is gathered and retained for the purpose of communicating information about the data subject to said Emergency Contact in situations affecting or potentially affecting the data subject's vital interests. Such circumstances include, but are not limited to, perceived health risks and/or injury to the data subject, emergency situations etc.

3.5 **Sharing student data with Department of Education:** The Department of Education and Skills requires LWETB to provide student data information to the Department of Education and Skills²³.

3.5.1 The LWETB collects personal data to be transferred to the Department of Education and Skills via the Post-Primary Online Database ("P-POD") system. The school asks parents/guardians and students to complete the "Consent Form for Sensitive Data for the School's October Returns to the Department of Education and Skills" (sometimes called the 'October Returns' for short) for the purposes of complying with DES requirements to determine staffing and resource allocations. The October Returns are submitted to the DES electronically. The DES has their own policy governing the security of the data sent to them by all post-primary schools.

3.5.2 The main purpose of the October Returns is for the DES to determine whether the student qualifies for English language support and/or additional resources and support to meet their particular educational needs. The DES uses this data for its own internal processes, including monitoring educational progress as pupils move through the primary education system and on to post-primary. The returns provide the DES with the information needed to develop and evaluate educational policy, to calculate teacher allocation, capitation, grant payments for schools, to determine resource allocation, for statistical analysis and reporting in the areas of social inclusion and integration of students in the education system, and for planning purposes. The details of the personal data submitted to the DES via P-POD are outlined at Section 2.6 of this Policy. Certain of the items are optional, and parents/guardians do not have to supply this information if they do not consent.

3.5.3 The DES transfers some of this personal data to other Government departments and

²³ For Post-Primary Schools, see Circular 0023/2016 available at www.education.ie/Circulars-and-Forms/Active-Circulars/cl0023_2016.pdf. Further information available at www.education.ie/en/Schools-Colleges/Services/Returns/Post-Primary-Online-Database-P-POD-Project/

other State bodies, such as the Department of Employment Affairs and Social Protection pursuant to the Social Welfare Acts, the State Examinations Commission, the Educational Research Centre, and the Central Statistics Office pursuant to the Statistics Acts. The data will also be used by the DES for statistical, policy-making and research purposes. However, the DES advises that it does not use individual data, but rather aggregated data is grouped together for these purposes. The DES has a data protection policy which can be viewed on its website (www.education.ie). The DES has also published a “Fair Processing Notice” to explain how the personal data of students contained in October Returns is processed. This can also be found on www.education.ie (search for Circular Letter 0047/2010 in the “Circulars” section).

3.5.4 If a parent/guardian objects to their child’s personal data being submitted to the Department of Education and Skills via the P-POD system, they submit a written objection to the School (see Department of Education and Skills Circular 47/2010, page 8.

3.6 **Sharing student data with the Department of Education and Skills for NEPS:** The National Educational Psychological Service (NEPS) is a service provided by the DES. NEPS employ psychologists who work with post-primary school students, parents, and teachers to help children and deliver a range of services. For further information, see <https://www.education.ie/en/Schools-Colleges/Services/National-Educational-Psychological-Service-NEPS-/Information-for-Parents.html>

3.7 **Sharing staff data with the DES:** LWETB shares data with the DES relating to:

- (a) **Matters that are the subject of parliamentary questions in the Dáil:** ETBs are statutorily required to provide the Minister for Education and Skills with information regarding, inter alia, the performance of a chief executive’s functions (section 15(3) Education and Training Boards Act 2013), information relating to the performance of the board’s functions (section 40(9) of the 2013 Act); and such reports and returns and such information as the Minister “may from time to time require) (per section 9(5) of Schedule 3 to the 2013 Act).
- (b) **Staff and staff levels:** the staffing budget and staffing levels within ETBs are calculated on the basis of aggregated returns made by ETBs.
- (c) **Information regarding disability:** this is reported (on an aggregated, anonymised basis) to the DES relating to the target for employment of persons with disability under the Disability Act 2005.
- (d) **The Inspectorate:** section 13 Education Act 1998 (as amended) created the Inspectorate, being comprised of the child inspector and such inspectors as the Minister for Education considers appropriate. It is the function of the Inspectorate to visit recognised schools and centres for education in order to evaluate the organisation and operation of those schools and centres and the quality and effectiveness of the education provided in those schools or centres, including the quality of teaching and effectiveness of individual teachers; to evaluate the education standards in such schools or centres; to assess the implementation and effectiveness of any programmes of education which have been devised in respect of individual students who have a disability or other special educational needs; and to report to the Minister (or to the board of management, patron or such other bodies as may be prescribed) on these and other appropriate matters. As part of their inspection, the inspector may demand to see personal data relating to staff and/or students in order to conduct their assessment. Recognised schools and centres are required to cooperate with the Inspectorate, and section 13(12A) of the Education Act 1998 (as amended) creates an offence of obstructing or interfering with the Inspectorate in the course of their role.
- (e) **Section 29 Committees:** where there has been a decision to (a) permanently exclude a student from the school, or (b) suspend a student from the school for a cumulative period of 20 school days in any one school year, or (c) refuse to enrol a student in the school, section 29 Education Act 1998 outlines that an appeal can be made against that decision. The ‘Procedures for Hearing and Determining Appeals under Section 29 of the Education Act, 1998 in respect of Education and Training Board (ETB) Schools (Updated September 2016)’ outlines the Appeal Procedures Under Section 29 of the Education Act, 1998. The appeal against the decision of the board of management of the school shall be made, in the first instance, to its ETB. In the event that the matter cannot be

resolved at ETB stage, the parent (or student, if they are over 18 years) can make an application to the Secretary General of the Department of Education and Skills. The DES establishes an Appeals Committee to hear the section 29 Appeal, and the data relating to the suspension/expulsion/refusal to enrol the student (as appropriate) is submitted to that Appeals Committee in order for them to hear all the evidence and reach a decision. The documentation submitted to the section 29 Appeals Committee can include:

- Records relating to Code of Behaviour (complaints, investigations, minutes, letters).
- CCTV showing incidents that are alleged to have breached the Code of Behaviour (for further information, please see the CCTV Policy).
- Any other data as may be relevant to the Appeal.

Parents (and students over the age of 18 years) are furnished with a copy of the relevant section 29 documentation, and in advance of lodging their appeal they acknowledge and understand that LWETB will share and transfer data to that Appeals Committee in order for them to hear the Appeal and adjudicate on the matter.

3.8 TUSLA:

3.8.1 Child protection, child safeguarding, child welfare and social work: ETBs are required to seek advice from and/or make referrals to the statutory bodies established for law enforcement and child protection if they suspect any form of child abuse or receive a disclosure of child abuse. These obligations are set down in section 14 Children First Act 2015, section 2 Criminal Justice (Withholding of Information on Offences against Children and Vulnerable Persons) Act 2012 and DES Circular 0081/2017 and the accompanying Child Protection Guidelines. Where child protection, child safeguarding, and/or child welfare matters arise, LWETB may be asked to participate in child protection conferences (all party meetings between TUSLA, the School and other bodies). LWETB will also share and transfer personal and sensitive personal data to TUSLA in respect of members of staff and/or third parties (a student's parent, another family member) where the concern/disclosure relates to an alleged wrongdoing on their part. Pursuant to the Protection for Persons Reporting Child Abuse Act 1998 and the Children First Act, 2015, a person is protected from civil liability for informing TUSLA and/or An Garda Síochána of his/her suspicion that (a) a child has been or is being assaulted, ill-treated, neglected or sexually abused, or (b) a child's health, development or welfare has been or is being avoidably impaired or neglected, (unless it is proved that he or she has not acted reasonably and in good faith in forming that opinion and communicating it to TUSLA and/or An Garda Síochána).

3.8.2 Meitheal support groups: TUSLA co-ordinated inter-agency response to assessing the needs of children and families that have come to the attention of social work practitioners (including because of child welfare or safety concerns).

3.8.3 EWO: attendance, suspensions, and expulsions etc:

- (a) **Attendance:** pursuant to the Education (Welfare) Act 2000, recognised schools and centres are required to collect data relating to students' attendance. Section 21 states that the principal of a recognised school shall maintain a record of the attendance or non-attendance on each school day of each student registered at that school; it further provides that where a student fails to so attend school, the register should state the fact of his or her failure and the reasons for such failure. Where the student is absent from school for an aggregate number of 20 school days during a school year (or where the principal forms the opinion that the student is not attending school regularly) the Principal is statutorily required to inform the Education Welfare Officer (EWO) of this in writing.
- (b) **Suspension:** where a student is suspended from a recognised school for a period of not less than 6 days, (or 20 days cumulatively over a school year, per (a) above), the Principal is required to inform the Education Welfare Officer of this in writing, per section 21 Education (Welfare) Act 2000.
- (c) **Expulsion:** pursuant to section 24 Education (Welfare) Act 2000, where it is decided that a student should be expelled from a school, the School is required to notify the Educational Welfare Officer of this fact "and the reasons therefor" in writing.

3.9 An Garda Síochána:

- 3.9.1 **Child abuse and child protection:** per section 2 Criminal Justice (Withholding of Information on Offences against Children and Vulnerable Persons) Act 2012. See further (3.8.1) above.
- 3.9.2 **Other criminal matters:** LWETB will report matters of alleged criminal acts, criminal behaviour, criminal damage etc to the Gardaí to prevent, detect and investigate of offences, and pursuant to LWETB's duty of care to all students, staff, and others.

3.10 **NCSE: SENOs etc:** Special Educational Needs Organisers (“SENOs”) are employed by the National Council for Special Education (a statutory body established by section 19 of the Education for Persons with Special Educational Needs Act 2004). A SENO deals with applications for additional teaching and Special Needs Assistant support for children with special educational needs from all schools. The SENO assists in allocation of resources, and it is their role to obtain from the school copies of any medical reports and/or assessments, Individual Education Plans, and/or such other documentation relating to the needs of the student with special educational needs. Pursuant to section 26(6), the board of management, principal, teachers and other members of staff of a school are statutorily required to give all such assistance as may reasonably be required by the SENO in the performance by him or her of his or her functions. When parents and/or clinicians are furnishing copies of medical reports and/or assessments to the school in order to ensure their child/patient obtains all necessary supports and assistance, they do so on the fully informed basis that same will be disclosed to the SENO in order to obtain those supports, resources, and other assistance for the student.

3.11 **HSE:** LWETB may be asked by the HSE to circulate HSE information materials about a vaccination programme or similar public health issues, particularly relating to particular ages/groups of students. This is generally so that the HSE can invite them to participate in vaccination programmes or other public health initiatives. When parents receive the information leaflets, the parent/guardian engages directly with the HSE and (if they wish) consent to the provision of information to the HSE by the completion and returning of the relevant documents to the HSE. Participation in the vaccine/programme is entirely a matter for the parents, and for them to pursue directly with the HSE. LWETB may offer the HSE temporary facilities within LWETB premises in order to comply with section 32 of the Health Act 1953 (“affording of facilities for health examination of children at schools”). In certain instances, LWETB may accept / collect forms from students for returning to the HSE where such processing is in the public interest.

3.12 **Work placement providers and/or employers:** for those students going on work experience and/or work placement, and/or apprenticeships.

3.13 **Data-sharing with SOLAS and others via the Programme Learner Support System (“PLSS”)**

3.13.1 LWETB is a programme provider of further education and training (“FET”) and offers many courses to adult learners. These FET programmes are funded through SOLAS (An tSeirbhís Oideachas Leanúnaigh agus Scileanna) established under the Further Education and Training Act 2013 as the national further education and training authority.

3.13.2 As a condition of application for or enrolment on a FET course funded through SOLAS, your personal data (and that of third parties, such as your next of kin) are collected using the Programme Learner Support System (“PLSS”). PLSS is a joint project between SOLAS and other participants (including Education and Training Boards Ireland (ETBI)). PLSS is a suite of software applications that are designed to provide an integrated approach to the collection and processing of personal data of users of PLSS and FET programmes funded through SOLAS, and the outputs, outcomes and performance of such programmes.

3.13.3 When you apply for a FET programme funded through SOLAS, you will be asked to provide:

- (a) Your personal data and information about yourself. The personal data will include your PPSN, first name, surname, name as per your birth certificate or passport, address, date of birth, gender, nationality, whether you are in receipt of a Department of Employment Affairs and Social Protection (DSP) payments (and if

so, the nature of those payments, and other DSP data) and/or employment details for those of you that are in employment and/or attended higher education, whether you have previously attended a FET programme funded through SOLAS.

- (b) Special category personal data, such as whether you have a disability, ethnic or cultural background, living circumstances may be requested, which you may freely decide to give or not – this is an entirely optional disclosure. If you provide this information, the data will be reported, in aggregate form, for statistical and research purposes and to compare the progress of such groups with other groups. Such statistics and research will assist in identifying gaps in the system and assisting in the development and implementation of appropriate policies (e.g. equal opportunity policies) and interventions for future learners. If you decide to provide this information you are giving your explicit permission for the data to be processed for these purposes.

Further details of the data to be processed are listed in section 2 of this policy, and also at Appendix 2 of the PLSS Data Protection Statement, available at www.lwetb.ie/policies-procedures/

3.13.4 The personal data stored on PLSS are processed for the following purposes:

- (a) To contact you about the application for the FET programme.
- (b) To administer the application and to assess your eligibility for a FET programme funded through SOLAS in a particular academic year.
- (c) To follow up with you after the application is received, as required.
- (d) Maintenance of your learner record (including personal and course details).
- (e) Management of course processes (including commencement, completion, progressions).
- (f) Providing advice and support through the FET provider Guidance Services, where available.
- (g) To record the course you enrolled in and your award (if any).
- (h) To contact you after the course completion in order to measure course impact in relation to your further education and training participation and/ or employment.
- (i) To track, evaluate and assess the outcomes of the FET programme.
- (j) To comply with European Union/European Social Fund monitoring and reporting requirements.
- (k) To check/verify the accuracy of your personal data: to support efficient processing of the application, LWETB may need to check the accuracy of personal information you provide with external data sources. For example, if you have achieved certifications previously from another institution, the FET programme provider may need to contact the other institution for confirmation of any qualifications obtained.

3.13.5 SOLAS is required under the Further Education and Training Act 2013 to (among other things) assist in the co-ordination and provision of training by others and conduct research into the functions of SOLAS. This might include tracking involvement in, conducting impact evaluations on and assessing outcomes of FET programmes funded through SOLAS. Accordingly, pursuant to agreed protocols and arrangements, SOLAS may provide to and receive from other Government, regulatory and/or public bodies, limited and specific types of data about you or provided by you in your application for a FET programme. For example, FET providers are required to disclose some of your personal data to SOLAS for statistical purposes. In addition, if you are attending a European Union co-funded programme the DES is required to provide some of your personal data to allow monitoring, reporting and evaluating of programmes to which they provide funds.

3.13.6 The following parties participate in the PLSS scheme (referred to in this section as “**PLSS Participants**”) and have access to an extract of the data generated from the PLSS system:

- (a) The Department of Education and Skills (“**DES**”).
- (b) CSO Administrative Data Centre: PLSS data will be pseudonymised by a CSO statistician and linking of PLSS learners with the Revenue, DEASP, QQI and HEA data will be done using the CSO unique identifier (i.e. PPSN).
- (c) Department of Employment and Social Protection: To validate information on applicants in receipt of social welfare payments.
- (d) Quality and Qualifications Ireland (QQI): To verify information regarding

applicant's certification outputs as a result of attending an FET Programme.

- (e) Higher Education Authority (“**HEA**”): Not currently shared directly but in the event of being shared, to verify and validate applicants who progress to higher education.

3.13.7 Once uploaded to PLSS, there is "cross data sharing" of that personal data by other PLSS participants, so your personal data could be obtained by those participants even if you have not previously engaged with those bodies. There are written Data-sharing Protocols between the Department of Social Protection, the Higher Education Authority and QQI with SOLAS. A Data Processing Services Agreement has been put in place between LWETB and SOLAS. Each of these agreements dictate the scope and parameters of permissible usage of and access to learner/applicant personal data.

3.13.8 Each of the PLSS participants will process your data and, where relevant, information from other public sector bodies. Your data may be made available to affiliated entities, agents, service providers, advisers and data processors and other public sector bodies. For further information, please see the PLSS Data Protection Statement, available at www.lwetb.ie/policies-procedures/

3.13.9 At national level (section 7 Further Education and Training Act 2013) and European level, SOLAS must report, as a statutory requirement for funding, on the FET sector pursuant to the European Social Fund Regulation (EU) 1304/2013 of the European Parliament and of the Council 17 December 2013. Until 2027, under the Programme for Employability, Inclusion and Learning 2014-2020 (“**PEIL**”), SOLAS must justify the ESF co-funding that it seeks via the DES by way of reporting. The PEIL requires the national authority in each member state charged with the function of FET provision to collect and store detailed data about each learner in receipt of ESF co-funding. For this, SOLAS must be able to gather evidence which it obtains from its evaluation of FET outcomes including improved employability and the social inclusion of various groups in society (e.g. youth, females, long-term unemployed, immigrants, persons with disabilities, the socio-economically disadvantaged, etc.). SOLAS may also be randomly audited by the European Commission to verify and validate Ireland's ESF claim for funding. In the event that such ESF auditors were to make a finding of poor data or information quality, ESF co-funded provision could be suspended. This would have a serious knock-on effect on FET funding in Ireland (not least through a potential funding deficit) and therefore its provision in Ireland and SOLAS' legislative mandate under the FET Act would not be fulfilled. In the context of operating PLSS for the above purposes, SOLAS will act as a data controller over the information it collects from learners and from the other PLSS participants for this purpose.

3.14 Data-sharing with third party vendor Management Information Systems via PLSS

Transferring data gathered through the PLSS to a third-party vendor system e.g. SALESPULSE, MIT Enrol, VS Ware, etc.

3.15 **SUSI:** SUSI is a business unit of City of Dublin ETB, which is the single national student grant awarding authority designated by the Minister for Education and Skills under the Student Support Act 2011. SUSI administers applications under the annual Student Grant Scheme for higher and further education grants. CDETb is the joint Data Controller with the Department of Education and Skills. SUSI processes information submitted via an online application process. In submitting a single online application, personal details of all parties to the application together with their income details are provided to SUSI. All parties are required to acknowledge that they have read the SUSI data protection statement (a summary text and link to the full text are provided in the application form) and to confirm that the information they provide is complete and accurate (a form of declaration to this effect is provided at this point). The categories of personal data provided by parties to an application and collected by SUSI for the purpose of assessment are: name, address and contact details, date of birth, PPS number; nationality; employment details; bank details. As part of conducting an assessment and ongoing grant management and payment, SUSI may share some or all of the data provided by parties to an application with other Government bodies and agencies set out in Schedule 2 of the Student Support Act 2011. The third parties with whom SUSI exchanges data include the Department of Education and Skills, the Department of Employment Affairs and Social Protection, the Revenue Commissioners, the CAO, the HSE and former awarding authorities, i.e. ETBs. All data sharing arrangements are governed by respective data sharing agreements with each of

the data sharing bodies. Section 28(5) of the Student Support Act 2011 provides for the relevant purpose of collecting, processing and sharing the information submitted to SUSI. The purposes include obtaining information to determine whether an applicant is eligible for a grant; verifying data supplied as part of the application process; assisting in the processing of an application for a grant by a student and assisting in the payment of grants to students, and verifying that a student is enrolled or registered, in accordance with the rules of an approved institution, and continuing to attend an approved course at an approved institution.

3.16 Teaching Council: The Teaching Council is the statutory body that regulates the teaching profession in Ireland. It was established by the Teaching Council Acts 2001-2015. Personal data is shared by the Teaching Council and LWETB for the purposes of the Teaching Council performing its statutory functions (including regulating the teaching profession and promoting professional standards), and the following statutory functions:

- (a) **Data-sharing of information from the register:** Section 30 of the Teaching Council Acts 2001–2015 requires all teachers to register with the Council if they are to be paid from State Funds. It states that if the teacher is not registered, or is otherwise removed or suspended from the register, they shall not be remunerated out of money provided by the Oireachtas. Section 7 of the Education (Amendment) Act 2012 provides that the Teaching Council shall provide LWETB with information held by the Council in respect of each person who is or was a registered teacher, and to provide LWETB with information regarding whether that person’s conditional registration lapses, or if the person is removed from the teaching register. The Teaching Council operates a “*paymaster interface to the Register of Teachers*” in order to facilitate ETBs verifying the teacher’s eligibility for payroll pursuant to section 30 Teaching Council Acts 2001–2015, and for verifying qualifications for the calculation of qualification allowances etc.
- (b) **Data-sharing re Vetting:** The Teaching Council is responsible for co-ordinating statutory vetting of the teaching profession, and shares teachers’ personal data (including special category data) with the National Vetting Bureau for that purpose. The statutory process for conducting vetting applications is prescribed by the National Vetting Bureau (Children and Vulnerable Persons) Acts 2012-2016. Where an applicant applies for a position in a school/centre (or otherwise pursuant to the retrospective vetting provisions prescribed by the Department of Education and Skills) the Teaching Council is required to release a copy of the Vetting Outcome/disclosure to that school/centre, and therefore there is data-sharing between LWETB and the Teaching Council as part of this process.
- (c) **Data-sharing re fitness to teach/regulatory procedures:** The Teaching Council is required to undertake investigative and disciplinary functions. This includes conducting inquiries into matters such as professional misconduct, poor professional performance and fitness to teach. The Teaching Council may call upon any person in attendance as a witness before a panel under section 43 of the Teaching Council Act to produce any documentation in his or her power/control if lawfully required to do so by the panel. Pursuant to section 43(b) of the Teaching Council Acts 2001-2015 it shall be an offence to refuse such a request.

For more information in relation to data processing within the Teaching Council, please refer to <http://www.teachingcouncil.ie/en/About-Us/Data-Protection-Compliance-Policy/>

3.17 Central Statistics Office (CSO): The Department of Education and Skills and ETBs make aggregated, cumulative, statistical data available to the CSO, under the Statistics Acts to assist with the compilation of national statistics.

3.18 Revenue Commissioners: For payroll purposes, to remit employers’ tax and employees’ PRSI, PAYE etc. and other tax deductions to the Revenue Commissioners.

3.19 The Department of Employment Affairs and Social Protection (DEASP): The DEASP: may require LWETB to provide it with certain personal data relating to a student/learner (and/or his/her parents/guardians where the student is under 18 years). Section 265(1) of the Social Welfare (Consolidated) Act 2005 provides that a specified body (of which LWETB is one) may share information with another specified body (of which the DEASP is another). Such data-sharing, where requested, will proceed if it complies with the Data Protection Commissioner’s

Guidance note on “Data Sharing in the Public Sector²⁴”, and in particular the advice: “*public bodies who engage in data sharing arrangements should, in advance of any such sharing, inform all individuals whose personal data is being shared of the data sharing arrangement by outlining the information as required to be provided as per Section 2(2d) of the DPA*”.

- 3.20 **Financial institutions:** Data is transferred to financial institutions for the purposes of administering staff payroll, payment of expenses, processing of student fees and grants, paying refunds, paying invoices due, etc.

- 3.23 **Pension administrators, companies offering Additional Voluntary Contribution (AVC) pension products (where relevant), financial organisations offering income continuity policies (where relevant):** for any occupational pension scheme to be operated, transfers of service executed, contributions to be remitted and pension benefits paid and the implementation of family law pension adjustment orders etc. If the employee is participating in an AVC or income-continuity policy and requires the employer to transmit information or remit payments to that entity, LWETB will facilitate same where directed to do so by the employee. Pensions data will also be transferred to the Revenue Commissioners and the DEASP, where required by law.
- 3.24 **Trade unions:** staff may be members of recognised unions, and they may wish to be represented by their trade union official (and/or shop steward) in certain IR/HR matters in the workplace. These are dealt with in the relevant workplace policies and sectoral Circulars issued by the Department of Education and Skills.
- 3.25 **ETBs’ Insurer and/or Legal Advisors, including the Legal Services Support Unit, Education and Training Boards’ Ireland:** LWETB transfers and shares data with its insurers, Irish Public Bodies (IPB), and their duly appointed workplace investigators, claims handlers and legal advisors, pursuant to LWETB’s insurance policy. LWETB also transfers personal data to its legal advisors to obtain legal advice and for the taking and defending of legal claims. These transfers are for the purposes of obtaining legal advice, resolving disputes, and defending, compromising or otherwise settling litigation.
- 3.26 **Service providers (e.g. CCTV, security, IT support, payments solutions platforms, direct marketing agencies or printing companies, plagiarism detection services/software, service providers delivering services to students (e.g. apps, tablets), etc.):** To obtain appropriate expertise and support, and to ensure that LWETB is being properly managed. - 3.31 **Education and Training Boards Ireland (ETBI):** LWETB shares data with its national representative body, ETBI, as recognised under section 2 of the Education and Training Boards Act, 2013. ETBI operates pursuant to its Constitution and to collectively represent its member ETBs and promote their interests, as set out in the Education and Training Boards Act 2013.
- 3.32 **Public Service Transfer Network:** where an employee requests a transfer of service to and from the civil service, Garda Síochána, national and secondary teaching sector, and the Defence Forces, this scheme permits them to transfer pensionable/reckonable service for the purposes of the superannuation provisions applying to persons employed in a pensionable capacity. The transfer of information to the new employer is at the specific request of the employee. Specifically, LWETB should disclose in its annual report and/or financial statements aggregate details of the compensation of its key management, and the salary of the Chief Executive.
 - b) **Board Remuneration:** as in 3.33(a) above, LWETB must also publish, in the interests of transparency and good governance, details of non-salary-related fees paid to Board members, divided by category of fees and the number of meetings attended. Under section 8 of the Freedom of Information Act 2014, and the Model Publication Scheme of the Department of Public Expenditure and Reform, these details must also be updated on a quarterly basis on LWETB's website www.lwetb.ie
 - c) **Payments to Suppliers:** as in 3.33(b) above, LWETB must also publish details of Payments or Purchase Orders for goods and services over €20,000 in its Publication Scheme, including the name of the supplier, which, in the event that the owner's name is also the business name, will constitute personal data.

This is an indicative list of the bodies we transfer data to, or share data with. But it is not an exhaustive list. We will disclose to other third parties (who are not necessarily listed here) where there is a legal basis, and/or we are legally required to do so.

- 7.5.2 The right to restriction arises where one of the following applies:
- you are contesting the accuracy of your personal data, for a period enabling LWETB to verify the accuracy of your personal data;
 - the processing is unlawful, and you are opposing the erasure of the personal data and are requesting the restriction of the use of your data instead;
 - LWETB no longer needs the personal data for the purposes of the processing, but they are required by you for the establishment, exercise or defence of legal claims;
 - you have objected to processing pursuant to Article 21(1) pending verification of whether the legitimate grounds of the controller override those of the data subject.
- 7.5.3 Where processing has been restricted, such personal data shall (with the exception of storage) only be processed with your consent or for the establishment, exercise or defence of legal claims or for the protection of the rights of another natural or legal person or for reasons of important public interest of the Union or of a Member State.
- 7.5.4 Where you have restricted our processing of your data pursuant to Article 18(1), you shall be informed by LWETB before the restriction of processing is lifted.

7.6 Right to data portability

- 7.6.1 You shall have the right to data portability per Article 20 GDPR. This means that you shall receive your personal data, which you have provided to LWETB, in a structured, commonly used and machine-readable format.
- 7.6.2 The right to data portability applies where:
- the processing is based on Consent (Article 6(1)(g) or Article 9(2)(a)), or on a Contract Article 6(1)(b); **and**
 - the processing is carried out by automated means.
- 7.6.3 For the avoidance of doubt, the right to data portability does not apply to processing necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller.
- 7.6.4 The right to data portability shall not adversely affect the rights and freedoms of others.
- 7.6.5 You have the right to transmit those data to another controller without hindrance from LWETB.
- 7.6.6 In exercising your right to data portability, you shall have the right to have the personal data transmitted directly from one controller to another, where technically feasible.

7.7 Right to object

- 7.7.1 You shall have the right to object, on grounds relating to your particular situation, at any time, to processing of your personal data based on:
- Public Interests (Article 6(1)(e))
 - Legitimate interests (Article 6(1)(f)) (although as a Public Body, LWETB is not allowed to use legitimate interests as a lawful basis for processing)
- including the right to object to profiling based on those provisions.
- 7.7.2 LWETB will no longer process your personal data unless it demonstrates compelling genuine grounds for the processing which override your interests, rights and freedoms, or for the establishment, exercise or defence of legal claims.
- 7.7.3 Where personal data are processed for direct marketing purposes, you shall have the right to object at any time to processing of your personal data for such marketing, which includes profiling to the extent that it is related to such direct marketing.
- 7.7.4 Where you object to processing for direct marketing purposes, your personal data shall no longer be processed for such purposes.
- 7.7.5 You have the right to object to processing based solely on automated means, including profiling, which produces legal effects concerning you or similarly significantly affects you. At the time of writing (May 2018), LWETB does not engage in automated decision making.

7.8 Data controller's obligation to notify others

- 7.8.1 LWETB shall communicate any rectification (7.3 above), or erasure (7.4 above) of personal data, or restriction of processing (7.5 above) carried out to each recipient to whom the personal data have been disclosed, unless this proves impossible or involves disproportionate effort.
- 7.8.2 LWETB shall inform you about those recipients if you request it.

7.9 General information relating to all the rights referred to above

- 7.9.1 Upon receipt of a valid request, LWETB shall attend to your request without undue delay and in any event within one month of receipt of the request. That period may be extended by two further months where necessary, taking into account the complexity and number of the requests. LWETB shall inform you of any such extension within one month of receipt of the request, together with the reasons for the delay.
- 7.9.2 In the case of an access request (see section 7.2 above, "Right of Access") where a subsequent or similar access request is made after the first request has been complied with, LWETB has discretion as to what constitutes a reasonable interval between access requests and this will be assessed on a case-by-case basis.
- 7.9.3 If LWETB does not take action on foot of the request of the data subject, it shall inform them without delay, and at the latest within one month of receipt of the request, of the reasons for not taking action and on the possibility of lodging a complaint with the Data Protection Commissioner and seeking a judicial remedy.
- 7.9.4 Where requests from the data subject are manifestly unfounded or excessive, in particular because of their repetitive character, LWETB may either: (a) charge a reasonable fee taking into account the administrative costs of providing the information or communication or taking the action requested; or (b) refuse to act on the request.

You can exercise these rights at any time. For further information, please contact our Data Protection Officer.
