# LWETB Complaint Procedure

a procedure for processing complaints made by parents/guardians of students or adult learner(s) currently enrolled in LWETB school/centre against a staff member employed by LWETB

## 1 Introduction

### 1.1 Context

Procedures are necessary to ensure fair treatment for all. It is necessary that procedures be agreed, known and observed in the interest of good relations in the ETB learning and working environment.

The national Code of Practice for Dealing with Complaints made by Parent/s, Guardian/s of a Student or by a Student (who has reached the age of eighteen) currently enrolled in a school/centre, against a Staff Member employed by Longford and Westmeath Education and Training Board (LWETB)<sup>1</sup> was introduced on 1 March 2011. The Code was revised in line with the enactment of the Education and Training Boards' Act and re-issued on 1 July 2013.

### 1.2 Application

This LWETB Complaint Procedure applies to all LWETB staff. It replaces the previous *Code of Practice*. It is used for processing complaint(s) lodged on or from the implementation date.

Where matters have commenced under the previous 2013 version of the *Code of Practice*, LWETB concerned shall determine the appropriateness of moving to the utilisation of this Complaint Procedure having regard to the stage at which the complaint is in process. The decision of the LWETB will be final in this regard.

In all circumstances where a complaint is at Informal Stage and is to escalate to the Formal Stage, this procedure should be used.

A *Guidance Note for ETBs* is available as an operational resource for use by ETBs.

### 1.3 Provision for review

The responsibility to review this procedure rests with ETBI and union parties to this procedure.

<sup>1</sup> Hereinafter referred to as the *Code of Practice/Code*

## 2. Purpose of the Procedure

### 2.1 Purpose

Set against the context of the proposed obligations on schools to have a Parent and Student Charter, this procedure provides a standard approach for use by LWETB in processing complaints made by parents/guardians of students or adult learners currently enrolled in an LWETB school/centre against an LWETB staff member which may arise from time to time.

This procedure emphasises the resolution of complaints at the earliest opportunity through informal means without recourse to the more formal stages of the procedure. Where a complaint arises, the parties involved are encouraged to strive to understand the other party's position and should seek, as far as possible, a mutually acceptable solution through informal means.

### 2.2 Definition and Scope

#### Definition of a complaint in this procedure

A complaint is a grievance made by a parent(s)/guardian(s) of a student(s) or adult learner(s) currently enrolled in an ETB school/centre about an ETB staff member which relates to the staff member's work in the ETB learning/working environment or in work-related approved activities.

#### Scope

This procedure aims to provide a responsive, fair, transparent and consistent approach to processing complaints and to do so in a manner that affords all concerned full rights in accordance with natural justice.

### 2.3 Exclusions

Complaints:

- considered to be frivolous, vexatious or malicious
- appropriate to another code of practice/procedure
- which do not relate to LWETB's staff member's work in LWETB's learning/ working environment or in work-related approved activities
- of alleged child abuse which are dealt with under separate guidelines and procedures issued by the Department of Education and Skills
- which are the subject of legal proceedings
- that are anonymous
- where the same complaint has previously been dealt with under this procedure and has been resolved or adjudicated upon.

- The complainant will be informed by the CE or his/her nominee if the complaint amenable to processing within the terms of this procedure and if not, the reasons for this decision.

### 3. General Principals

**3.1 Parameters of procedure:** The procedure is intended to resolve complaints outside of recourse to legal process. In circumstances where legal proceedings are invoked, the provisions of this procedure terminate.

**3.2 Accompaniment/Representation:** The right to be accompanied/represented as provided for at the various stages of the procedure is recognised.

**3.3 Commitment:** Complaints will be handled with minimum delay and in accordance with principles of natural justice and fair procedure having due respect to the rights of both complainant and staff member.

#### 3.4 Timeframes:

- Every effort will be made to adhere to the time limits prescribed in the procedure.
- Every effort will be made by management to facilitate and address the complaint through scheduling meetings.
- The procedure shall not operate during periods of approved leave unless by agreement of the parties to the complaint.
- In a school context, “working days” are understood to be counted as days on which the school is open for student/learner instruction.
- The time limits in the Formal Procedure may be extended by mutual agreement of the parties concerned, or by the person(s) appointed to manage/investigate the complaint, provided the grounds for extending the time limits are reasonable. The final decision with respect to amending the time limits rests with LWETB.

**3.5 Communication:** Throughout this procedure, all communication between the staff member, parent/guardian/adult learner and other person(s) associated with the processing of this complaint, must take place in an atmosphere that is calm, dignified and in a climate that respects the viewpoint of either party to this procedure.

- All complaints received will be entered in a complaint file. Where the complaint is withdrawn, a note to this effect will be entered in the file.
- A complaint(s) may be withdrawn at any stage of the procedure.
- Record retention: Documentation in respect of the complaint will be treated as confidential and retained in accordance with LWETB’s Data Protection Policy, retention schedule and statutory requirements.

## 4. Mediation

Mediation, if appropriate, and subject to the agreement of the parties to the grievance, is not excluded by way of a mechanism to resolving complaints at informal or formal stages. Importantly, any information disclosed in the course of mediation must remain within the mediation process. It must not be disclosed and cannot be used in furthering a complaint through this procedure or any other process and must remain confidential to the mediation process.

If mediation is unsuccessful, the procedure can be re-invoked at the same stage and without prejudice to the parties having engaged in a mediated process.

Further information on mediation is available from LWETB’s HR Department or staff trade unions. The *Guidance Note for ETBs* provides an exemplar statement of outcome to mediation<sup>2</sup>.

## 5. The Procedure

### Informal

Parties are encouraged to raise their complaint informally in the first instance. Complaints, whether verbal or in writing, should be processed informally through stages 1, 2 and where necessitated; stage 3.

Communication between the parties to the complaint must take place in an atmosphere that is calm, dignified and in a climate that respects the viewpoint of either party to this procedure. It is envisaged that the overwhelming majority of complaints will be resolved to the satisfaction of the parties to the complaint without recourse to progressive stages in the procedure.

<sup>2</sup> *Guidance Note for ETBs - Template A*

## Informal Stage 1 – Engagement with LWETB Staff Member

1.1 A parent/guardian/adult learner who wishes to make a complaint should make an appointment to discuss the matter with the staff member concerned with a view to resolving the complaint. There is no requirement to submit a complaint in writing.

1.2 The parties concerned are encouraged to strive to understand the other party's position and should seek, in as far as possible, a mutually acceptable solution through informal means.

1.3 A parent/guardian/adult learner may normally be accompanied by a friend or someone unconnected to the complaint. A staff member may normally be accompanied by a colleague at meeting/s convened under this stage of the procedure.

1.4 In this context, more than one meeting may be required to achieve resolution on the matter.

1.5 In circumstances where the parties having already engaged directly, cannot reach a successful resolution to the matter, the complainant has the right to refer the complaint, within ten working days to stage 2. The line manager at stage 2 in a school context is the Principal/Deputy Principal. In a centre/office context this person is normally the Section/Department Manager or Assistant Manager.

1.6 A copy of the procedure should be made available at the earliest possible juncture, to the parent/guardian/adult learner.

## Informal Stage 2 - Facilitation meeting/s at school/centre/section level

2.1 The line manager will meet with the parties to the complaint. The meeting should ideally occur within a further ten working days.

2.2 A parent/guardian/adult learner may normally be accompanied by a friend or someone unconnected to the complaint. A staff member may normally be accompanied by a trade union representative or colleague at meeting/s convened under this stage of the procedure.

2.3 The line manager may also convene a meeting or number of meetings separately and/or jointly with the parties to the complaint to facilitate a resolution to the matter. The discretion as to the conduct of this stage rests with the line manager.

2.4 In all circumstances where a complaint is raised, parties are encouraged to strive toward the successful resolution of the matter.

2.5 Mediation may also be considered as an option for the parties in seeking

to successfully resolve the matter.

2.6 When the line manager determines that the matter has reached conclusion or there is no further scope for resolution, s/he will communicate the outcome in a statement<sup>3</sup> to both parties.

2.7 In circumstances where the parties having already engaged directly, cannot reach a successful or mediated resolution to the matter, the complainant has the right to refer the complaint, to stage 3, within a maximum of ten working days. The line manager will advise to whom the referral should be made in LWETB.

### Informal Stage 3 - Facilitation meeting/s with a member of LWETB Senior Management

3.1 If the complaint remains unresolved, the complainant should raise the matter with the relevant Director in LWETB. A facilitation meeting will be arranged within a further fifteen working days by a member of LWETB senior management team with the parties to the complaint with a view to resolving the complaint. Meeting/s may be undertaken separately or collectively. The discretion as to the conduct of this stage of the process of facilitation rests with the facilitator.

3.2 Where a complaint is made against a Principal, Centre Manager or Head of Section/Department in an office context, the facilitation meeting will involve the parties to the complaint and/or other persons as the facilitator deems necessary to resolving the complaint. Meeting/s may be undertaken separately or collectively. The discretion as to the conduct of this stage rests with the facilitator.

3.3 A parent/guardian/adult learner may normally be accompanied by a friend or someone unconnected to the complaint. A staff member may normally be accompanied by a trade union representative or colleague at meeting/s convened under this stage of the procedure.

3.4 Where the facilitation reaches an agreed resolution, the parties are requested to sign a statement to the effect that the matter is concluded to the agreement of the parties concerned<sup>4</sup>. A copy shall be provided to both parties to the complaint.

3.5 Where the facilitation does not result in an agreed resolution, the parties are requested to sign a statement to the effect that the matter is not resolved<sup>5</sup>. A copy shall be provided to both parties to the complaint. The complainant has the option of moving the matter formally onto stage 4.

3.6 Where the matter moves to formal stage 4, the statement of outcome to facilitation will be prepared by the facilitator detailing the issues raised at stage 3 and will be admissible, along with any documentation from previous

stage/s.

## Appendix 1

### Information on the national panel of investigators available to conduct formal investigations under Stage 4 of the Procedure

#### General information:

A national panel is established comprising approved nominees from management and unions in the ETB sector endorsed by the ETBI/Unions' Consultative Forum in its capacity to act as independent investigators for the purpose of investigation at Stage 4.

Importantly, the role of the investigator is not an advocacy role but an independent investigation role irrespective of the body nominating them.

LWETB is responsible for establishing an investigation committee drawn from the panel.

**Conflict of Interest:** There is no provision for the complainant (i.e. parent/guardian/adult learner/s) or the staff member who is party to a complaint proposed for investigation at Formal Stage 4, to reject a nominee proposed from either or both panels (Panel A or B) save in the very exceptional circumstance where an individual drawn from a panel is related to, or a personal friend of, either the complainant or the staff member concerned to the complaint. In such circumstances, it is the responsibility (whether complainant or staff member) to disclose such interests by contacting the ETB Human Resources Department by phone/email/in writing prior to any investigation commencing to facilitate the selection, by LWETB as employer, of an alternative investigator to conduct the Formal Stage 4 investigation.
