Statement of Board Responsibilities

Longford and Westmeath Education and Training Board (LWETB) was established on 1 July 2013 under the provisions of the Education and Training Boards Act 2013.

Section 51 of that Act requires LWETB to keep in such form and in respect of such accounting periods as may be approved by the Minister for Education and Skills with the consent of the Minister for Finance and the Minister for Public Expenditure and Reform, all proper and usual accounts of the monies received or expended by it.

In preparing those accounts, the Board is required to

- (a) apply the standard accounting policies for the preparation of ETB financial statements
- (b) make judgements and estimates that are reasonable and prudent
- (c) disclose and explain any material departures from the standard accounting policies

The Board is responsible for keeping proper books of account which disclose, with reasonable accuracy at any time, the financial position of the Board and which enable it to ensure that the Financial Statements comply with section 51 of the Education and Training Boards Act 2013.

The Board is also responsible for safeguarding its assets and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Longford and Westmeath Education and Training Board came into being on the 1st July 2013 under the provisions of the Education and Training Board Act, 2013.

LWETB operated under the Code of Practice for the Governance of Education and Training Boards (02/2019) this code was adopted at the February Meeting of LWETB retrospectively to its issue date of 31st January 2019. Prior to this LWETB operated under the Code of Governance 08/2015.

Responsibility for the System of Internal Control

As Chairperson of Longford and Westmeath Education and Training Board, I acknowledge the responsibility of the Board for ensuring that an efficient, effective and economic system of internal control is maintained and operated. The purpose of such a system is to ensure that assets are safeguarded, transactions are authorised and properly recorded and that material errors or irregularities are either prevented or detected in a timely period.

The Audit and Risk Committee met five times in 2019 and reviewed the system of internal controls at their meeting on 7th February 2020.

The Finance Committee met three times in 2019. It is a requirement to meet 4 times each year but due to the local elections they only met three times. The Finance Committee expect to meet 4 times in 2020. The Finance Committee recommended the Annual Financial Statements for adoption by the Board and the submission of these to the Comptroller and Audit General for audit at their meeting on 2nd March 2020.

Key Control Procedures

The system of control can only provide reasonable and not absolute assurance that assets are safeguarded, transactions are authorised and properly recorded and that material errors or irregularities are either prevented or detected in a timely manner.

The Board has taken steps to ensure an appropriate control environment by:

- Clearly defining management and staff responsibilities
- Establishing procedures for reporting significant control failures and ensuring appropriate corrective action
- Establishing procedures for identifying and evaluating all risks which could prevent LWETB from achieving its objectives.

The system of internal control operated in LWETB is based on:

- Detailed administrative procedures
- Segregation of duties
- Specific authorisations
- Internal checks

Page 4 (1/4)

- Monthly management review of reports outlining the actual and budgeted results of programmes operated by LWETB.

The Board's monitoring and review of the effectiveness of the system of internal control is informed by the:

- Work of the Audit and Risk Committee, which considers internal audit reports and reports of the C&AG and reports to the Board whether the Chief Executive is, in the internal auditor's opinion, operating adequate and appropriate systems of internal control
- Chief Executive who has responsibility for the financial control framework
- Recommendations made by the Comptroller and Auditor General in management letters or other reports.

Risk Management

LWETB has a Corporate Risk Management Plan in place covering Schools, FET and administrative offices. The Risk Management Plan is a standing item on the Audit and Risk Committee's agenda as required under the Code of Governance for Education and Training Boards 02/2019. An update is provided on the risk movement at each meeting and specific individual reports were requested by the Committee and furnished by the executive to the committee at the next available meeting.

Internal Audits

Internal Audit is provided by the Internal Audit Unit- Education and Training Boards (IAU-ETB). The range of possible opinions of Internal Audit are comprehensive, adequate and inadequate.

In January 2019 the Internal Audit Unit conducted a full review of internal controls in LWETB, and their report published in February 2019 issued an Adequate Opinion. This review and its findings has been presented to the Audit and Risk Committee to provide them with reassurance of the effectiveness of our controls. The summary of the Review covering fifty-seven tests identified one high risk issue relating to a member of staff retaining legacy access to the HR system and this access level was rectified immediately. In addition to this all access levels to the HR system were reviewed and no other anomalies were identified. It also identified two medium risks, the first related to the tagging of assets which is to be addressed by a project started in 2020. The second related to procurement which was a procedural issue that has since been addressed.

In March 2018 the IAU also conducted a review of the effectiveness of Information Communication and Technology System and Network availability controls providing an Inadequate Opinion. The results of this audit were reported on in January 2019. The opinion was "inadequate" based on a benchmark of ISO/IEC 27031. At the time of the audit LWETB was in the middle of implementing a three-year ICT Upgrade Plan. The Audit and Risk Committee received a full presentation on the ICT plan which commenced in 2017 and due for completion in 2020. Many of the items listed in the audit have since been addressed by this programme of upgrades.

The majority of the remaining recommendations either have been addressed in 2019 or will be addressed before the commencement of the new academic year in 2020. The current programme of upgrading once completed is expected to rectify the compliance gaps identified.

The IAU conducted a contracts Audit that was completed in early January 2020 providing an Adequate Opinion. The contracts Audit covered the period July 2018 to end September 2019. The auditor noted the significant improvement that had occurred over the time period covered by the audit in terms of documentation. The new Head of HR took up her position in this time period.

Four medium items were highlighted as follows:

- The lack of evidence that a new staff member had received induction. We have now introduced a new formal procedure.
- The contract of an employee had not been signed. This individual had only been employed for a very brief number of weeks.
- The incomplete reconstitution of a file for a long standing member of staff.
- The availability of all policies to staff. All appropriately approved policies have been made available on the LWETB website.

Public Procurement

In September 2018 a procurement plan for 2019 was submitted to and accepted by the Board. This plan had been developed following a review of procurement in LWETB. This plan outlined areas that would be focused on by LWETB procurement section in 2019 and 2020. By June 2019 60% of the action plan has been implemented with further implementation ongoing over 2020.

A review of procurement in 2019 found that the amount of non-compliance in 2019 was

€386, 773 analysed as follows:

- a) Items procured by quotes to the value of €262, 736 which were tendered for in quarter 4 2019, including class materials.
- b) Items procured by quotes to the value of €124,037 where an appropriate mechanism has now been identified on how to tender for these items and they will be tendered for in 2020. These items include exam papers and associated marking.

Pensions

Circular Letter 11/2014 obliges ETBs to provide benefits statements and calculations to members of the Single Public Service Pension Scheme by the end of June 2014. The Executive has advised that LWETB is approximately 10% compliant with issuing pension statements to staff as at the end of 2019. This is an issue for all ETBs and is being pursued at national level.

LWETB is currently at an advanced stage of engagement with the Payroll Shared Service and as part of this we expect to improve compliance with this requirement significantly by the end of 2020. LWETB expects to be at least 50% compliant in the issuing of pension statements by the end of 2020 and 98% compliant in the issuing of pension statements by the end of 2021 based on current resources.

Protected Disclosure - There were no Protected Disclosures in 2019.

Fraud - There were no known incidences of Fraud in 2019.

Annual Review of Controls

LWETB is committed to operating an efficient, effective and economic internal control system. I confirm that the Audit and Risk Committee at its meeting on 7th February 2020, conducted a review of the effectiveness of the system of internal financial control for year ended 31 December 2019 in the manner prescribed by the Code of Practice for the Governance of Education & Training Boards and found them to be satisfactory.

This included

- A review of internal and external audit reports issued in 2019 and to date in 2020 along with an examination of minutes of meetings of the Board, Audit and Risk Committee and Finance Committee.
- The Audit Committee also got confirmation from the Chief Executive that on balance the system of internal control is adequate and appropriate. The Chief Executive based this statement on information gathered from senior managers across the organisation.
- The Audit Committee presented a report on the review of controls to the Board on 17th February 2020.
- A Risk Register is kept up-to-date and presented to the Audit and Risk Committee on a regular basis.

The Statement on Internal Control was reviewed and approved by the Board of LWETB at its meeting on 17th February 2020.

Ard Reachtair Cuntas agus Ciste **Comptroller and Auditor General** **Report for presentation to the Houses of the Oireachtas** **Longford and Westmeath Education and Training Board** **Opinion on the financial statements**

I have audited the financial statements of Longford and Westmeath Education and Training Board for the year ended 31 December 2019 as required under the provisions of the Education and Training Boards Act 2013. The financial statements comprise

- the statement of accounting policies
- the operating statement
- the statement of current assets and current liabilities, and
- the related notes.

In my opinion,

- the financial statements properly present the income and expenditure of the Board for 2019 and the state of affairs of the Board at 31 December 2019; and

- the financial statements are in accordance with the accounting policies laid down by the Minister for Education and Skills.

Basis of opinion

I conducted my audit of the financial statements in accordance with the International Standards on Auditing (ISAs) as promulgated by the International Organisation of Supreme Audit Institutions. My responsibilities under those standards are described in the appendix to this report. I am independent of Longford and Westmeath Education and Training Board and have fulfilled my other ethical responsibilities in accordance with the standards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Report on information other than the financial statements, and on other matters

The Board has presented certain other information together with the financial statements. This comprises the statement of Board responsibilities, the statement on system of internal control and a schedule of activities and pay costs. My responsibilities to report in relation to such information, and on certain other matters upon which I report by exception, are described in the appendix to this report.

I have nothing to report in that regard.

Patricia Sheehan
For and on behalf of the
Comptroller and Auditor General

Appendix to the report

Responsibilities of Board Members

As detailed in the statement of Board responsibilities, the Board members are responsible for

- the preparation of the financial statements in the form prescribed under section 51 of the Education and Training Boards Act 2013
- the keeping of proper books of account which disclose with reasonable accuracy at any time the financial position of the Board
- safeguarding the Board's assets and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Responsibilities of the Comptroller and Auditor General

I am required under the Education and Training Boards Act 2013 to audit the financial statements of Longford and Westmeath Education and Training Board and to report thereon to the Houses of the Oireachtas.

My objective in carrying out the audit is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement due to fraud or error.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the ISAs, I exercise professional judgment and maintain professional scepticism throughout the audit. In doing so,

- I identify and assess the risks of material misstatement of the financial statements whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- I obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls.
- I evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures.
- I conclude whether the financial statements properly present the income and expenditure of the Board and whether the statement of balances, as represented by the statement of current assets and current liabilities presents the state of affairs of the Board.

- I evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Information other than the financial statements

My opinion on the financial statements does not cover the other information presented with those statements, and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, I am required under the ISAs to read the other information presented and, in doing so, consider whether the other information is materially inconsistent with the financial statements or with knowledge obtained during the audit, or if it otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

Reporting on other matters

My audit is conducted by reference to the special considerations which attach to State bodies in relation to their management and operation. I report if I identify material matters relating to the manner in which public business has been conducted.

I seek to obtain evidence about the regularity of financial transactions in the course of audit. I report if I identify any material instance where public money has not been applied for the purposes intended or where transactions did not conform to the authorities governing them.

I also report by exception if, in my opinion,

- I have not received all the information and explanations I required for my audit, or
- the accounting records were not sufficient to permit the financial statements to be readily and properly audited, or
- the financial statements are not in agreement with the accounting records

Activities and Pay Costs

1 Main Activity

Longford and Westmeath Education and Training Board provides Education and Training throughout counties Longford and Westmeath as set out below :

Service	Number of Locations*	Number of Participants**	Number of Beneficiaries***
Second Level & Post Leaving Certificate	9	3,479	
Further Education and Training (FET)****	10		8,711
Part-time / Night Classes****	1		704

* Refers to locations owned or leased by LWETB.

** For second level this is based on the academic year enrolment.

For FET and part time / night classes this is based on the individual enrolments in the calendar year.

*** Beneficiaries refers to the total number of places taken up in the year. This is calculated by adding enrolments as on 1 January and all subsequent enrolments throughout the year.

**** Beneficiaries of Training Centres Part- time/ Night Classes are included in Further Education and Training (FET) numbers.

2 Other Services

The Board also acts as an Agent and runs Self - financing Projects.

Agency work involves running a programme on behalf of another organisation according to agreed criteria and the Board is reimbursed its cost.

Self - financing Projects are programmes run under the complete control of the Board either for the Board or other organisations.

3 Pay Costs

Pay is the principal cost for the Board and the following indicates the pay ranges and the number of employees in each range:

Pay Range*	No. Employees	Cost in 2019*
€		€
0 - 59,999	802	16,630,638

130,000 - 139,999	1	134,596
Total	1020	32,667,633

*Cost in 2019 includes employers' PRSI

LWETB does not make pension contributions in respect of employees. Since 2013 all new entrants are obliged to join the Single Public Pension Scheme.

From 1 January 2019 onwards, members of public service defined benefit pension schemes pay an additional superannuation contribution (ASC) arising from the Public Service Stability Agreement (2018-2020) and the Public Service Pay and Pensions Act 2017. ASCs have replaced the pension-related deduction (PRD) which ceased at the end of 2018. While PRD was a temporary emergency measure, ASCs are a permanent contribution in respect of pensionable remuneration. The amount collected in 2019 was €1,026,851 which was remitted to the Department of Education and Skills.

Establishment of the Education and Training Board and the Accounting Policies

1 Establishment of the Education and Training Board

Longford and Westmeath Education and Training Board was established on 1 July 2013 and its functions are set out in section 10 of the Education and Training Boards Act 2013.

2 Significant Accounting Policies

(a) Basis of Presentation

The financial statements are presented in the form approved by the Minister for Education and Skills with the consent of the Minister for Finance and the Minister for Public Expenditure and Reform. They consist of a Statement of Accounting Policies, an Operating Statement, a Statement of Current Assets and Current Liabilities and notes to the financial statements.

Where necessary, the comparative figures for the previous year have been restated on the same basis as those for the current year.

(b) Basis of Preparation

The Operating Statement presents Receipts and Payments by Programme Grouping and the resultant Cash Surplus / (Deficit) is adjusted for other debtor and creditor movements to determine the overall result for the period on an accrual basis.

The Statement of Current Assets and Current Liabilities is prepared on the accrual basis by determining state grant and other funder balances at amounts that reflect the related actual expenditure incurred and in accordance with the funding rules.

Third Party Debtors are included in Current Assets. Pay and Expense Liabilities are included in Current Liabilities.

(c) Tangible fixed assets

All assets purchased including land and buildings, fixtures and fittings and training equipment are expensed in the year of purchase. State grants to fund the purchase of tangible fixed assets are recognised in the same year.

(d) Stocks

All consumable stocks are expensed as purchased.

(e) Superannuation

The pension entitlements of LWETB staff, including those who transferred from SOLAS, are conferred under defined benefits schemes. Staff employed since 2013 are included in the Single Public Service Pension Scheme and monthly payments are made to the Department of Public Expenditure and Reform.

Superannuation deductions made from employees' pay in respect of the schemes are retained by LWETB as part of agreed Exchequer funding, or paid over to the Department of Public Expenditure and Reform.

LWETB does not make any pension contributions towards the schemes.

These unfunded schemes are operated on a pay as you go basis with the annual pension entitlements being paid directly by the National Shared Services Office on behalf of LWETB. ETBs are responsible for the administration of their pensions. Pension funds are provided by the Department of Education and Skills. Provision has not been made in the financial statements for the present cost of the future benefits that have accrued to staff members and existing pensioners under these schemes.

(f) Lease Rentals

All lease rentals are expensed as incurred.

Notes

- a** Opening balances Balances are reported on an accruals basis.
- b** Pay **Department of Education and Skills:** Post-Primary Schools and Head Office Pay Grant was expected to be funded by direct receipts from grantor of €23,080,439 and anticipated receipts from Retained Superannuation Contributions of €1,253,000. Actual receipts of Retained Superannuation Contributions were €1,240,406, which is €12,594 less than anticipated. This shortfall of €12,594 will be funded by the Department of Education and Skills in the 2020 Pay Grant.
- c** Non Pay **Department of Education and Skills:** Post-Primary Schools and Head Office Non Pay Grant was expected to be funded by direct receipts from grantor of €2,028,742 (this included a prepayment of non pay of €330,000 for 2020) and forecasted locally raised receipts of €98,000. In 2019 actual locally raised receipts were €100,621 resulting in a surplus of receipts of €2,621 over the amount forecasted. Surplus receipts are due to the Department of Education and Skills and are not considered part of the current year funding. A capital reserve dividend payment of €54,566 was also received from IPB.
- d** Surplus/(Deficit) for 2019 Total grants are set by reference to anticipated expenditure. In the case of Post-Primary Schools and Head Office Non-Pay programmes expenditure limits are set. Expenditure incurred in excess of this limit gives rise to a deficit, whereas savings can be retained and used to fund future deficits. LWETB had a Revenue Deficit of €1,076 for the year ended 31/12/2019 (Per Operating Statement page 8) and an Accumulated Revenue Surplus as at 31/12/2019 of €333 (Per Operating Statement page 8 and Statement of Current Assets and Current Liabilities page 9).
- e** Total State funding The difference between the total amount received from grantors of €53,752,557 above and the total in Note 9 - Funding of €54,992,963 is represented by Retained Superannuation Contributions of €1,240,406.

Notes to The Financial Statements - Year Ended 31st December 2019

31 Charitable status

Longford and Westmeath Education and Training Board is a charity registered with the Charity Regulator - Charitable status number is 20083762.

32 Connected persons

There were no transactions with connected persons during the year.

33 Events after the year end

Since the end of the reporting period, the economy and the ETB sector have been significantly affected by the Covid-19 pandemic.

However, LWETB continues to carry out its vital role in education while being focused on ensuring continuity of education for

learners, including a particular focus on more vulnerable students.

The effects of the pandemic will have financial implications for LWETB in 2020 and beyond. The financial impacts of COVID-19

commenced in March 2020 and given the unprecedented uncertainty of the situation that LWETB finds itself in, a reliable estimate

of the costs and savings arising from COVID-19 cannot be made at this time. However, the main factors giving rise to additional

costs and reductions in income are as follows:

- * Additional unplanned expenditure on ICT equipment and software support to enable the continuation of learning for students

and the safety of its employees by remote working.

- * Additional costs to deliver training as it is expected that extra training allowances to participants in further education and

training programmes will continue until courses are completed which may lead to some additional costs over the summer months.

- * Anticipated reductions in income. LWETB anticipates a reduction in self-generated income and some programmes are on

hold. PLC fee income is also likely to be reduced as more participants become eligible for free fees.

It is anticipated that the additional costs will be partially offset by savings in the areas of:

- * Substitution costs,

- * Consumables and costs incurred for contract management services and

- * Savings associated with the delivery of apprenticeships as most craft apprentices are released to their employers and there are

no further intakes currently (It should be noted that this delay is likely however to lead to greater costs from 2021).

LWETB has taken the following steps to manage the effects of the pandemic:

- * From the commencement of this crisis LWETB has engaged a business continuity plan to ensure its operations continue as

normal in line with its regulatory requirements.

- * The Audit and Risk Committee will review LWETB's updated risk register to take account of the specific risks arising and

LWETB will develop and ensure implementation of additional control measures as required.

* The Department of Education and Skills has put in place a range of steering and engagement structures to support the education and training system in navigating the challenges of COVID-19. LWETB is participating in these structures to ensure a joined-up approach across the education sector.

In the medium to long term, the ETB sector will have a significant role to play in the overall tertiary system response needed for labour market activation which will form part of a broader cross government and cross agency response. As a result, there will be a particular focus on effective management of resources and capacity.

34 Approval of the Financial Statements

The Financial Statements for year ended 31/12/2019 were approved by the Board of Longford and Westmeath Education and Training Board on 9 March 2020.
